Orange Runners Club Race Listings

The goal of our general calendar is to present a list of races that are of relevance or specific interest to our local runners to best serve our athletic and sport community. In this regard we have we have opted to request for the listing, a contribution by event directors and organizations wanting to add their event to the Orange Runners Club General Calendar. This shows their support of our organization and highlights events we can get behind.

Please also note, we will only list races and other running events that we deem to be relevant. A primary criteria of "relevance" is that the event be within our area, or is otherwise of specific interest to our own running community. We are an all-volunteer organization, and do not have the resources to be a "MEGA listing service", for all races that do not fit our criteria for listing or are not club sponsored. So your understanding of this policy is greatly appreciated. Please contact us if you feel your event may be an exception.
