3rd Annual Sweener 5K Run/Walk

**Sunday October 7, 2012
At Middletown High School**

Originally organized by
Linda Knapp
& Kevin Sweeney

The Sweener 5k was started by local runner Kevin Sweeney, a Psychology student at SUNY Old Westbury. On July 10, 2009, he was diagnosed with Acute Lymphocytic Leukemia, after extensive blood testing.

Months prior to his diagnosis he displayed only slight warning signs of fatigue; which he it shook off as basic tiredness from his intense training regimen in preparation for the Chicago Marathon, his second marathon.

Kevin underwent chemotherapy treatments for over a year, including receiving a stem cell transplant from his brother, Ken. The disease was too aggressive returning twice. On November 7th, 2010, Kevin finally lost his battle with Acute Lymphocytic Leukemia.

The Sweener 5K continues again this year; to remember Kevin Sweeney and his passion for running, to raise awareness about Acute Lymphocytic Leukemia, as well as fund a scholarship for a graduating MHS cross-country athlete.

Thank you for your support of the
Sweener 5K!
