This is a behind-the-scenes look at the people and organizations who have extended much for the community in bringing the now 38<sup>th</sup> Classic 10K event to the local area for all to enjoy and benefit from. The Orange Runners Club and the Classic 10K event's roots grew deep together and this would be your chance to mingle with the current movers and shakers of this classic running event that shapes the community's awareness of the great and healthy sport of the road running every spring in Orange County NY at the Classic 10K Weekend.

In addition, this event is a vehicle to donate money to the local community for needs in our own backyard.
