- Summer Party at the Quinn's. Everyone had a great time. What type of thank you should be sent to them?
- It was discussed about a possible trip to Greece in 2017 to run their marathon.
- Marty gave the financial report, we are in the black.
- We will run an ad in the Hambletonian runners guide again this year. We need a check to pay for the ad.
- Hambletonian now has a Half Marathon! Crystal Run asked the marathon to change the date of the race so it didn't conflict with the Breast Cancer walk at Woodbury Commons. The Half Marathon can be used as the first leg of the relay. There are lots of options for participating in the races. They still need course marshals. Mile 22 water stop is available, but course marshals are needed more. Send info to Dane to relay to race director.
- Membership – new signups get next year free if they sign up midyear. Push for a calendar year membership rather than midyear.
- Paper newsletter at end of year. Include new membership information.
