

11/1/2017 ORC Membership meeting

- Shout out to Janice Harter and Tom Ohr for their finish in the Ironman.
- Marty gave financial report.
- Scholarship was proposed to the membership. George is helping to email info to high schools, public and private, that scholarship is available to students. Application will be available on our website to track and cross country students going on to college in their sports. \$150, \$250 and \$350 amounts available as a one time award (or \$1,000 each?). Applications must be completed by May 1 or April 30 of the next year. Board will choose the winners. Board approved it, put to membership for amounts. It should follow a template similar to what George Shurter has. Is there a limit for need for the money? Age limitation? One male, one female? Veterans eligible? How to perpetuate the scholarship in the future – funding for the future payouts? Should it be one amount to make more of an impact in the community? Valerie motioned to set aside \$1,000 for the scholarship fund for next 3 years. Seconded by Ed O'Connell. Suggested to have the amount spread out over 4 years, reapply until the student has finished schooling. Should apply for home-schooled students as well. Was voted to set aside \$1,000 in a special fund for scholarship.
- Races of the month – Cornwall Lions 5k and 7.5 mile harvest festival, Wallkill Turkey Trot at Crystal Run mall, Jingle Jog on 12/3/17-apps on tables. Online registration available too.
- Elections in December for 2018 officers. Board agreed to change vice presidents from 3 to 2.(?) What do members think? Nominations are being accepted now up until 12/6/17 meeting. President can appoint positions per bylaws, not officers, just committee members.
- Bill Kilcoin nominated for treasurer and seconded. George Shurter nominated for VP, Bob Waterman for VP, Valerie for president, all seconded. Ed O'Connell as VP, Deanna Z as secretary, all seconded.
- Barbara asked that everyone use a clean plate for seconds of meal.
