Sponsorship Information

Dear Neighbor,

The Warwick Historical Society is planning the **3rd annual GW Day 5K on Saturday, July 22, 2023.**

This family-friendly fun run is the only run/walk course through the Village of Warwick, described as easy enough for novices and walkers, but challenging enough for the truly-dedicated runners. This year the WHS had the course certified by the USA Track and Field Association, elevating our event to a new level of excellence. We are expecting more than 200 participants!

Please support the WHS with your financial sponsorship of the GW Day 5K. Your sponsorship is tax deductible as permitted by law; please see your tax professional for details.

This fundraiser has become an important fundraising event for our non-profit organization, helping us achieve our financial goals to sustain and preserve the buildings, grounds and artifacts in our care.

With your sponsorship, your business will be promoted in all of the marketing materials about the race, and featured on the race-day website and all our social and traditional media.

Sponsorship levels begin at \$150 for a Minuteman Level, up to \$1,000 for Founding Father, and each level has varying degrees of promotion. We would be happy to discuss the details of your sponsorship with you.

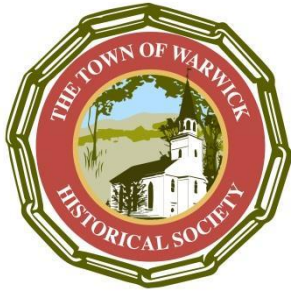

Please have your sponsorship in by June 30, 2023.

Thank you for helping the WHS by sponsoring the GW Day 5K. Thank you for keeping Warwick's history alive!

Sincerely,

Jack Ellis for

The WHS's GW Day 5K Committee
